2025 Special Session Workgroup Plan

1. All outstanding budget areas will continue negotiations to finalize agreements acting as a workgroup beginning May 20th, 2025.

2. Workgroups are made up of those conferees appointed during the regular session. If conferees have not yet been appointed, leaders will appoint the workgroup members consistent in number as a regular session conference committee.

3. Workgroups will function as much like a conference committees as possible, including holding public meetings and meeting in person. Workgroups will involve commissioners and agency officials consistent with the global target agreement dated May 14th.

4. Workgroups are encouraged to present offers at least twice daily. Workgroups are encouraged to exchange offers simultaneously. Offers should match the targets and agreements outlined in the global target agreement.

5. Workgroups will have until 5pm on Wednesday, May 21st to complete their negotiations, sign spreadsheets and sign-off on language.
