Partners for Equity Development

A group of organizations and individuals committed to equitable E-12 education outcomes for each and every student

www.partnersforequitydevelopment.com
Our mission is to build equity-centered capacity through a systems and community approach to race and culture that leverages data, personal and professional development, and organizational learning for improved academic and social outcomes.
The Partners for Equity Development

• Provides a framework to help decision makers assess their key stakeholder needs.
• Helps decision makers find, choose, and implement high-quality, accessible, and affordable professional development, learning, and support opportunities.
• Advances equitable actions in E-12 education settings.
• Identifies resources available across partner organizations.
• Identifies and creates programs to address unmet needs.
