

# PLAY NURTURE EXPLORE

## COME PLAY TOGETHER

All children require a strong foundation during early childhood to thrive and learn and to be ready to begin kindergarten.

The **Come Play Together program** will prove a stimulating environment that caregivers and children attend together.

Children develop the physical, verbal and social skill which they'll need to be school ready. Caregivers will learn how children develop and how to encourage skill building at home.

### **LOCATION:**

**Autumn Ridge Apartments  
Community Room**

8516 63<sup>rd</sup> Avenue, North  
Brooklyn Park MN 55428

### **Tuesdays/Thursdays**

10:00 a.m. – 12:00 p.m.
