AMSD RESOURCES FOR BUSINESS OFFICIALS

WELCOME TO AMSD!

AMSD is a strong voice for metro school districts and public education both at the Legislature and in the media, with a proactive agenda and a commitment to action.

YOUR district is an AMSD member and we want to ensure that you receive updates and information from AMSD.

We can work together to help your school district communicate! Let us know when you have:

- **Staff visiting the Capitol** — we would love to connect with them!
- **Policy and fiscal issues** that need to be addressed with legislation.
- **Concerns about legislation** currently before the Legislature.

RESOURCES FOR BUSINESS OFFICIALS

- **Calendar and Meeting Information:** All AMSD meeting dates and events are on our website at www.amsd.org.
- **Research and Statistics:** AMSD's web page contains relevant data and statistics on current education policy and fiscal issues. We are also available to research other issues concerning your district.
- **AMSD Information:** We provide Capitol updates, legislative updates and publish a monthly newsletter called *Connections*. We are always available to help answer questions about the impact of legislation.

AMSD Surveys

AMSD regularly sends surveys to our business managers to gather important information to assist us in our advocacy efforts at the Capitol and with communications to the news media.

AMSD TEAM READY TO ASSIST

AMSD staff stand ready to assist business officials by providing research and data to help them make informed decisions.
