In-Person Meetings

If AMSD were to begin holding in-person board of directors meetings, in compliance with MDH social distancing guidelines, would you attend in-person?

- Yes (16)
- No (5)

My answer to number 6 is that it depends on the agenda, etc. It's quite a hike to the meeting location. Having an online option, especially during the pandemic, is a positive.

Please note that I will attend in person as the Covid numbers improve. Large groups inside still are not the best choice. The digital meetings have helped me learn more names even as there is not as much discussion and networking. AMSD does a good job of presenting meetings in all forums. Thanks!
