Notes:

This offer includes the contents of the sch4300a14.

¹ Makes the 2023 appropriation for LETRS available through FY2025, and allows funds to be encumbered and spent through FY2027 for teachers who have registered but not completed training by June 30, 2025.

² Increases the special education cross subsidy aid factor from 6.43% to 37.115% for FY2023 and 40% for FY2024 and later.
