

# Minnesota Principals Survey

Open now through November 22

## Take the Survey!

The goal of the Minnesota Principals Survey, generously funded by the Minneapolis Foundation and the Joyce Foundation, is to **elevate principal voice**. All principals, assistant principals, and charter school directors in the state of Minnesota are invited to participate, and should have received a person-specific email invitation on November 1. Missed yours? Fill out the form at [z.umn.edu/principal-survey-request](https://z.umn.edu/principal-survey-request) to request a new survey invitation. Reports and key findings from the 2021 MnPS can be found via the QR code or at [z.umn.edu/mnps](https://z.umn.edu/mnps).
