About AMSD

In existence since 1974, AMSD currently represents 47 greater metropolitan area and regional center school districts and 6 intermediate/ cooperative districts that collectively enroll more than half of all public school students in Minnesota. The mission of AMSD is to advocate for member school districts so they can lead the transformation of public education.

About BrightWorks

BrightWorks (formerly Metro ECSU) delivers quality resources and services into the hands of its education partners through a variety of programs and services with an emphasis on professional development and special education.
